

WE CAPTURE A MOMENT - A FEELING - TO COLOUR YOUR MEMORIES FOREVER.

...

Hey there—

We're so happy you have come across our little team in your search for the perfect photographer.

Alpine Image Co. is a collaboration of photographers based in Wānaka, in the heart of the southern alps of New Zealand. For us, photography is so much more than a camera and lenses. It's the foundation of your memories and a way of reliving some of the most meaningful moments of your lives (including all the bits that might not go exactly to plan, because, life!). Your photos create feelings and lasting emotions – and we pour our hearts into making your whole experience unforgettable. We create depth and connection through imagery that reflects the best of you and your favourite people!

The people, the landscape, the unscripted moments, the belly laughs and the tears (ok, sometimes full blown sobs from the more emotional among us!); we use our artistic vision and creative styles to freeze them in time...and what an honour that is.

Every good photography friendship starts somewhere, so grab a cuppa and read on! Check out our packages and if you like what you see, we would be privileged to tell your story.

## Couples shoot—

This shoot is whatever you want it to be!  
A romantic shoot by the lake to celebrate  
your engagement or a wild helicopter  
adventure up in the mountains.

This shoot is a great way to take some engagement photos of the two of you and snap up some gorgeous memories of a pretty neat time in your lives. They are also the perfect addition to your save the date card, and a fun way to feel what it's like to be in front of the camera in the lead up to the big day.

For couples who don't want to be away from their guests for too long on their wedding day (or just want to keep the magic going that little bit longer) this is a perfect shoot to capture some beautiful and relaxed images of you after the big day. We can often time it so that the light is just right (hello golden hour!)

**PRICE . \$900\***

*\*\$650 if booked alongside wedding package*

- 1 hour of photography
- Private online gallery
- Digital download of your images (around 100 photos)

## Proposal shoot—

So! You're thinking about asking the question. Whoop whoop! This must be one of our favourite moments to shoot. Pure, raw, unfiltered surprise and happiness.

We are used to anything.. being incognito and hiding to catch the moment, pretending we are 'just' on a couples shoot, we've even disguised ourselves as helicopter company employees to blend into the background. Whatever you are planning, we'd love to chat more!

We offer two types of shoot to capture your proposal. Our most popular is the 'Proposal Story' as it offers enough photos to tell a beautiful story of the whole proposal.

## Who are Alpine Image Co?—

YAEH & JEN

THE TEAM

We're a small team with a big heart!  
We're people people who want this to be one of the best days of your life. What's more, we'll be there to capture every moment of it.

Alpine Image Co. is co-owned by Yaeh and Jen, and made complete by an incredible team of talented photographers. Each of us has our own love affair with photography, and we all get a bit too excited when we find that perfect slice of light. We love capturing the best of you and your closest people; the joy and the excitement, the bubbles popping and the (happy) tears. On the day we are the time keepers, the dress fluffers, the button hole putter-on-ers, the extra bridesmaid/man if needed and sometimes the rent-a-mate. We regularly hear from our couples that they felt like we were there as a friend, and that's the highest praise there is!

Whether it's a secret elopement or a huge gathering, we're with you every step of the way - from the first email to the last shutter click - and put our all into creating one-of-a-kind images for you to treasure forever.
