

WE CAPTURE A MOMENT - A FEELING - TO COLOUR YOUR MEMORIES FOREVER.

...

Hey there—

086 / COURTNEY & MATTHEW

QUEENSTOWN / JULY 2023

We're so happy you have come across our little team in your search for the perfect photographer.

Alpine Image Co. is a collaboration of photographers based in Wānaka, in the heart of the southern alps of New Zealand. For us, photography is so much more than a camera and lenses. It's the foundation of your memories and a way of reliving some of the most meaningful moments of your lives (including all the bits that might not go exactly to plan, because, life!). Your photos create feelings and lasting emotions – and we pour our hearts into making your whole experience unforgettable. We create depth and connection through imagery that reflects the best of you and your favourite people!

The people, the landscape, the unscripted moments, the belly laughs and the tears (ok, sometimes full blown sobs from the more emotional among us!); we use our artistic vision and creative styles to freeze them in time...and what an honour that is.

Every good photography friendship starts somewhere, so grab a cuppa and read on! Check out our packages and if you like what you see, we would be privileged to tell your story.

FAQs—

→ HOW MANY IMAGES WILL WE RECEIVE? WILL 2.5 HOURS BE LONG ENOUGH?

The 2.5 hour photoshoot allows you to visit 2-3 different locations. There's no set number of photos, but you can expect to receive a minimum of 250. There is the option to add on more time to the package, or to choose the 6 hour package for a more extensive shoot.

→ CAN WE HIRE A WEDDING DRESS FROM ANYWHERE IN QUEENSTOWN/WANAKA?

Due to very limited hire choice, most couples will bring their own garments with them from home.

→ WHEN WILL OUR PHOTOS BE READY?

You know what they say... good things take time! During peak months this can take 8-12 weeks. We spend a lot of time perfecting your gallery, and editing is a process that we don't rush.

→ CAN WE PRINT OUR PHOTOS?

Of course. We LOVE seeing photos in print. You can print directly from your online gallery, or you can take your images to a (good!) lab and make prints yourselves. You have unlimited personal printing rights, so get those frames ready!

→ WHAT IF IT RAINS?

Luckily the climate here is fairly dry and it's rare for it to rain all day. That said, we have taken some of our favourite shots in stormy weather! It's all about having the right attitude going into it all, and working with Mother Nature.

→ DO YOU FLY IN HELICOPTERS?

We certainly do, they are super fun! However, for safety reasons we have a company policy to not fly in Robinson R44 machines. For the comfort of our clients we tend to book Squirrel helicopters when making bookings on behalf of our couples.

→ WE FEEL AWKWARD IN FRONT OF THE CAMERA. WILL YOU TELL US WHAT TO DO?

This is probably the question we are asked the most, and the only thing we'd like you to do is not worry about it. Our job is all about making you feel

comfortable. Be yourself, enjoy the moments as they come, and we will offer as much or as little direction as is needed (everyone is different).

→ CAN WE CHOOSE OUR PHOTOGRAPHER?

Everyone on the team is fab in their own unique way, but you sure can! If there is a particular photographer you have in mind, just let us know, otherwise we are super happy making the decision for you. If you have a preference, we do recommend letting us know early so that we can make sure that they are available.

→ WE DON'T HAVE A CAR, CAN YOU DRIVE US?

For couples who don't have their own transport, we can help arrange a chauffeur service at an additional cost. Most couples will have their own vehicle, and will follow the photographer to each location on the shoot.

→ WHERE DO WE GO? CAN WE CHOOSE THE EXACT LOCATIONS?

We would recommend that you remain flexible and decide on the location on the day, as these can be affected by the light or weather on the day. We always start off with an idea, but your photographer will be able to advise you at the time, and suggest the best places for that day. We are spoilt for choice around here!

→ DO I GET ONE OR TWO PHOTOGRAPHERS?

You get one (awesome!) photographer for the shoot.

→ DO YOUR PRICES INCLUDE GST?

Yup! 15% GST is included on all our packages.

→ CAN YOU BOOK HAIR, MAKEUP AND FLOWERS FOR US?

Yes! You can book under our sister company 'Boutique Weddings NZ' who will help arrange all of these things for you.

→ THIS SOUNDS AWESOME! HOW DO WE BOOK?

Easy peasy. We just ask for you to complete an online booking form, and to pay a \$700 confirmation fee. We don't need to know the exact package you would like, but what is important is getting that date locked in. You'll feel fab when it's sorted!

YAEH & JEN

THE TEAM

We're a small team with a big heart!
We're people people who want this to be one of the best days of your life. What's more, we'll be there to capture every moment of it.

Alpine Image Co. is co-owned by Yaeh and Jen, and made complete by an incredible team of talented photographers. Each of us has our own love affair with photography, and we all get a bit too excited when we find that perfect slice of light. We love capturing the best of you and your closest people; the joy and the excitement, the bubbles popping and the (happy) tears. On the day we are the time keepers, the dress fluffers, the button hole putter-on-ers, the extra bridesmaid/man if needed and sometimes the rent-a-mate. We regularly hear from our couples that they felt like we were there as a friend, and that's the highest praise there is!

Whether it's a secret elopement or a huge gathering, we're with you every step of the way - from the first email to the last shutter click - and put our all into creating one-of-a-kind images for you to treasure forever.
